

VOYAGER Metals Inc.

INSIDER TRADING POLICY

1 INTRODUCTION

- 1.1 The Board of Directors of Voyager Metals Inc.¹ has determined that Voyager Metals Inc. should formalize its policy on matters relating to the awareness of the prohibitions on, and prevention of, Insider Trading as it relates to personnel employed by or under contract to Voyager.

2 OBJECTIVE OF THE POLICY

- 2.1 The objective of this Insider Trading Policy (the "**Policy**") is to ensure that Voyager Metals Inc. and all persons to whom this Policy applies meet their obligations under applicable securities laws and stock exchange rules by ensuring that all such persons who have Material Non-Public Information (as defined below) do not engage in insider trading or tipping.

3 APPLICATION OF THE POLICY

- 3.1 The provisions of this Policy apply to all directors, officers, employees, consultants and contractors of Voyager, each of whom will agree to be bound by such provisions upon notification of the most recent copy, and all Related Persons (as defined below) of such persons (collectively, "**Restricted Persons**").
- 3.2 The provisions of this Policy that apply to trading and reporting of transactions in securities apply to all transactions in Voyager's securities, including common shares, stock options and any other securities Voyager Metals Inc. may issue from time to time (as well as the securities of other companies described in Section 6.4 (d) below).
- 3.3 This Policy should be read with and in conjunction to Voyager's Corporate Disclosure Policy.
- 3.4 Any person who is unsure whether he or she may trade in a given circumstance should contact the Chief Executive Officer, Chief Financial Officer or the Corporate Counsel for specific guidance. Persons subject to this Policy are encouraged to consult with the Chief Executive Officer, Chief Financial Officer or the Corporate Counsel generally, prior to any trading in securities of Voyager.
- 3.5 Reporting Insiders (as defined below) are also encouraged to seek independent legal advice for matters other than routine reporting.

¹ This Policy applies to Voyager Metals Inc. and all of its subsidiaries. Accordingly, this Policy will refer to Voyager Metals Inc. and its subsidiaries as "Voyager" or the "**Company**".

INSIDER TRADING POLICY

4 COMMUNICATION OF THIS POLICY

- 4.1 To ensure that all Restricted Persons are aware of the Policy, a copy of the Policy will be distributed to all directors, officers, employees, consultants and contractors of Voyager, or alternatively they will be advised that the Policy is available on Voyager's website for their review. All such persons will be informed whenever significant changes are made. New directors, officers, employees, consultants and contractors of Voyager Metals Inc. will be provided with a copy of this Policy and will be educated about its importance.

5 DEFINITIONS & EXPLANATIONS

What is "Material Non-Public Information"?

- 5.1 **"Material Information"** is any information relating to the business and affairs of Voyager Metals Inc. that results in, or would reasonably be expected to result in, a significant change in the market price or value of any of Voyager's securities or that would reasonably be expected to have a significant influence on a reasonable investor's investment decisions.
- 5.2 Both positive and negative information can be material. Because trading will be evaluated after the fact with the benefit of hindsight, questions concerning the materiality of particular information should be resolved by treating such information as being material. See Section 6 of Voyager's Corporate Disclosure Policy for more information on how to determine if information is material and also for examples of material information.
- 5.3 **"Non-Public Information"** is information that is not generally known or available to the public. Information is considered to be available to the public only when it has been released broadly to the marketplace (such as by a press release or by filings with the Securities Commissions) and the investing public has had time to absorb the information fully. As a general rule, information is considered non-public until the close of business on the second full trading day after the information is released. **"Trading day"** shall mean a day on which the Toronto Stock Exchange is open for trading.²

Who is a "Related Person"?

- 5.4 For purposes of this Policy, a **"Related Person"** includes: your spouse, minor children and anyone else living in your household, or who does not live in your household but whose transactions in Voyager's securities are directed by you or are subject to your influence or control; partnerships in which you are a general partner; trusts of which you are a trustee; and estates of which you are an executor. Although a person's parent or sibling may not be considered a Related Person (unless living in the same household), a parent or sibling may be a **"tippee"** for securities laws purposes. See below for a discussion on the prohibition on "tipping".

² For example, if material non-disclosed information (such as quarterly results) is disclosed on a Monday at 10 am, then trading in Voyager Metals Inc. securities (as defined in, and subject to the terms of this Policy) by a Restricted Person is not allowed until the open of business on Thursday.

INSIDER TRADING POLICY

Who is a "Reporting Insider"?

5.5 All directors, officers and certain designated employees of Voyager Metals Inc. as listed in Section 5.6 below are considered as Reporting Insiders and, in addition to the terms and conditions of this Policy, are subject to the reporting obligations stipulated in applicable securities laws.

5.6 "Reporting insiders" include, among others:

- the Chief Executive Officer, Executive Chairman, Chief Financial Officer, Chief Operating Officer, Corporate Secretary, Executive Vice-President or General Counsel of Voyager Metals Inc. or of a major subsidiary of the Corporation;
- a director of the Corporation or of a major subsidiary of the Corporation;
- a person or company responsible for a principal business unit, division or function of the Corporation;
- any other insider who:
 - (a) in the ordinary course receives or has access to information as to material facts or material changes concerning Voyager Metals Inc. before the material facts or material changes are generally disclosed; and
 - (b) directly or indirectly exercises, or has the ability to exercise, significant power or influence over the business, operations, capital or development of Voyager.

5.7 If an individual falls into one of the above categories, that individual is required to file insider trading reports and should consult with the Chief Financial Officer to confirm his or her reporting obligations.

6 SPECIFIC POLICIES AND GUIDELINES

Non-disclosure of Material Non-Public Information

6.1 Maintaining the confidentiality of information of Voyager Metals Inc. is essential for competitive, security and other business reasons, as well as to comply with securities laws. You should treat all information you learn about Voyager Metals Inc. or its business plans in connection with your employment or association as confidential and proprietary to Voyager. Inadvertent disclosure of confidential or inside information may expose Voyager Metals Inc. and you to significant risk of investigation and liability.

6.2 The timing and nature of Voyager's disclosure of Material Information to outsiders is subject to legal rules, the breach of which could result in substantial liability to you, Voyager Metals Inc. and its management. Accordingly, Material Non-Public Information must not be disclosed to anyone, except to persons within Voyager Metals Inc. or third party agents of Voyager Metals Inc. (such as investment banking advisors or outside legal counsel) whose positions require them to know it, until such information has been publicly released by Voyager.

INSIDER TRADING POLICY

- 6.3 For further information on the treatment of confidential information, reference should be made to Voyager's Corporate Disclosure Policy.

Prohibited Trading in Voyager Metals Inc. Securities

- 6.4 No Restricted Person shall, directly or indirectly, engage in any transaction involving a purchase or sale of Voyager's securities during any period commencing with the date that he or she possesses Material Non-Public Information of Voyager Metals Inc. and ending at the close of business on the first full trading day following public disclosure of that information. For greater certainty, examples of prohibited transactions would include, but are not limited to the following:

- (a) buying or selling securities of Voyager, other than through the exercise of Voyager Metals Inc. granted fixed price share options or warrants, but not the sale of the securities so acquired (see below);
- (b) buying or selling securities whose price or value may reasonably be expected to be affected by changes in price of securities of Voyager;
- (c) selling securities acquired through the exercise of share options or warrants; and
- (d) buying or selling securities of another company in which Voyager Metals Inc. proposes to invest or with which Voyager Metals Inc. has a business relationship or where the individual, in the course of employment with Voyager, becomes aware of Material Non-Public Information concerning that other company.

- 6.5 Restricted Persons may be subject to civil and criminal liabilities for engaging in such transactions at a time when they have knowledge of Material Non-Public Information about or affecting Voyager.

"Tipping" Information to Others

- 6.6 No Restricted Person shall disclose ("**tip**") Material Non-Public Information to any other person (including Related Persons) where such information may be used by such person to his or her benefit by trading in the securities of companies to which such information relates, nor shall such Restricted Person make recommendations or express opinions on the basis of Material Non-Public Information as to trading in securities of Voyager Metals Inc. or other companies.
- 6.7 Restricted Persons may also be liable for improper transactions by any person (commonly referred to as a "**tippee**") to whom they have disclosed Material Non-Public Information or to whom they have made recommendations or expressed opinions on the basis of such information.

INSIDER TRADING POLICY

Avoid Speculation

- 6.8 In order to ensure that perceptions of improper insider trading do not arise, Restricted Persons should not "speculate" in securities of Voyager. For the purpose of this Policy, the word "speculate" means the purchase or sale of securities with the intention of reselling or buying back in a relatively short period of time in the expectation of a rise or fall in the market price of such securities. Speculating in such securities for short-term profit is distinguished from purchasing and selling securities as part of a long-term investment program. "Speculation" does not include the exercise of Voyager Metals Inc. granted, fixed price share options or warrants and sale of the securities so acquired in order to take the benefit of long term appreciation inherent in such options or warrants, so long as the sale does not involve the use of Material Non-Public Information.

7 TRADING RESTRICTIONS

No Trade Periods

Mandatory Periodic Blackouts

- 7.1 Designated persons, including directors, officers, senior management and employees of Voyager Metals Inc. who may have access to material undisclosed information as a result of special circumstances relating to Voyager ("Designated Insiders") may not trade in Voyager's securities during the period starting one week prior to the earlier of, (i) the filing deadline for interim and annual financial, and (ii) the date in which the Board of Directors is scheduled to meet to approve financial statements, until the close of business on the second full trading day following public disclosure of such financial statements.

Event Specific Blackout Periods

- 7.2 From time to time, information may develop or an event may occur that is material to Voyager but is not yet disclosed or disclosable (e.g., material drilling results that are in the process of assay and verification, or negotiation of a material contract). The Chief Executive Officer, Chief Financial Officer, General Counsel or their designee will inform Designated Insiders of an event specific blackout by means of e-mail notification and any other necessary means. All Designated Insiders are prohibited from trading securities of Voyager Metals Inc. during the event specific blackout. The existence of any event specific blackout is itself confidential and must be kept confidential by all directors, officers, employees, consultants and contractors. Once instituted, an event specific blackout period will continue to exist until the Chief Executive Officer, Chief Financial Officer, General Counsel or designated person communicates its termination.

INSIDER TRADING POLICY

No Hedging

No officer or director is permitted to purchase financial instruments for the purpose of, or shall otherwise engage in, hedging or other price protective transactions with respect to options or other equity or equity related securities of the Company which are held, directly or indirectly, by the officer or director. In addition, no officer or director is permitted to engage in the short sale of securities of the Company or sales of borrowed securities of the Company. For the purposes hereof, the concurrent short sale of Company shares as a method of facilitating the exercise of a vested option granted by the Company shall be deemed not to be a short sale for purposes of the aforementioned restriction.

Exception to Trading Restriction

- 7.3 Trading by Restricted Persons during blackout periods may be permitted in exceptional circumstances with the prior approval of the Chief Executive Officer, Chief Financial Officer, provided that the individual is not in possession of Material Non-Public Information. Exceptional circumstances may, for example, arise where the individual is subject to a pressing financial commitment that cannot be satisfied other than by the sale of securities of Voyager, or where the timing of the trade is important for tax planning purposes. The approval for such trades will only be provided upon receipt of positive clearance by legal counsel and may require the Restricted Person to make specific representations regarding the circumstances. If such a pre-clearance is granted under this Policy, such persons are reminded of the general prohibition against insider trading under Canadian securities laws generally, and that compliance with those laws is the sole responsibility of the Restricted Person.
- 7.4 For greater certainty, the prohibition regarding trading in securities of Voyager Metals Inc. during a blackout period does not apply to the acquisition of securities through the exercise of Voyager Metals Inc. granted fixed price share options or warrants, but does apply to the sale of the securities acquired through the exercise of the options or warrants. The prohibition regarding trading in securities of Voyager Metals Inc. during a blackout period similarly does not apply to the acquisition of securities pursuant to an automatic dividend reinvestment plan, restricted share unit plan or any other similar blind or automatic plan that was entered into by the person or company prior to the acquisition of knowledge of the material fact or material change.

8 REPORTING REQUIREMENTS

- 8.1 To comply with Canadian securities laws, but subject to certain limited exceptions, all "**Reporting Insiders**" as listed in Section 5.6 must file an "**Insider Report**" within 10 days of first becoming a Reporting Insider, disclosing the Reporting Insider's:
